HELP NEEDED TO MAKE QUALITY SKIING AVAILABLE IN OCEANA COUNTY

A variety of volunteer opportunities abound with the Oceana Cross Country Ski Association.

If you are interested in helping groom ski trails, please contact Bill Burd (231-742-0500) for Pentwater Pathways or Mike Sorensen (231-873-5247) for Crystal Valley.

If you are more interested in working with youth, call Ellen Lightle (231-869-4075) to help introduce cross country skiing to Third and Fourth Graders in the Hart, Pentwater, Shelby, and Walkerville school districts.

If you want to volunteer at any of the winter fest events, please contact Gaye Sorensen (231-873-5247).

Maybe you would prefer to ski in the winter months and do trail maintenance work in the spring or fall. Watch for work bee dates on the website.
